

Remonda Youssef Mikhail

2, St. Abo El-aela-talbya, Haram, Giza , Egypt
Tel: 0128525-2393/0128696-5311 (Mobile)
Email: Remonda.YoussefMikhail@yahoo.com

OBJECTIVE

Seeking a challenging software engineer opportunity in a dynamic environment where innovation, education and sense of ownership are valued and encouraged.

SKILL SUMMARY

Programming Skills:

- Object oriented programming” C++, C#”
- Programming C
- HTML5
- PHP
- Java
- Java script
- CSS3

Databases:

- My SQL
- SQL server.

Tools:

- Test bench tools “Bugzilla”
- MATLAB
- Visual studio 2013
- Modelism
- Net beans
- Office 2013
- Packet tracer.

Language Skills: Fluent in Arabic and English.

Soft Skills:

- Good communication skills.
- Acting as a team player.
- Ability to Accept and Learn From Criticism.
- Flexibility/Adaptability

CAREER RELATED EXPERIENCE

Financial Services Company “FSC“

Software Development Engineer

Feb.2014- Mar.2015

Responsibilities:

- Testing new and existing applications.
- Designing of test plans/scenarios and test cases.
- Development of QA test engineering procedures.
- Played instrumental role in providing effective documentation reviews.
- Coordinated technical sharing sessions with Vodafone Company.
- Develop new software solutions based on the requirements either web application or mobile application on different platforms” android , ios , windows and blackberry “
- Capable of full cycle project leadership including application architecture, design input, database design/programming, and .NET development.
- Coding for development, maintenance, and functionality updates.
- Working with C#, MySQL, php, java script, HTML5, CSS3 and related development tools.
- Provide technical writing for the software developed by me or by team members.
- Support software development for FSC's customers.

Computer Department – Faculty of Engineering

2008 – 2013

Projects:

- Making a 3D graphic game using VS2008, OpenGL and C++ programming language.
- I participated at a hardware game “Airport game “which was controlled through computer.
- Time table university scheduler using c#, VS2010, SQL server 2008 and advanced algorithms depending on real time design concept and microcontroller architecture.
- Search Engine as an advanced java programming project.
- Testing ttmath library”Big num. C++ library“using gallio management tool and designing test cases.
- Data base system for “La Vie Decor” company as a software engineering project using c#, VS2008 and SQL server 2008

Courses and activities

- ISTQP software testing course, foundation level.
- Internship at “Central-Agency-For-Public-Mobilization-and-Statistics” it was a compressed CCNA course.
- Internship at “telecom Egypt”.
- HR member at human resources committee at CCEL “Cairo computer engineering lab it is a student activity at faculty of engineering, Cairo university “.
- C++ training at computer department at my first year.

EDUCATION

2008 – 2013

Bachelor of Computer Department – Faculty of Engineering. Cairo University, Egypt.

- ☐ Major : Computer software.
- ☐ Grade : Very Good.

Graduation Project : Excellent Grade

Objective :

☐ IMove is a desktop control application for laptops which enables user to use laptop without needing keypad or touchpad. It just uses low cost webcam and hand gestures and acts in two modes: Hand mouse mode and Hand gesture mode.

Tools used :

- ☐ Microsoft Visual Studio 2010
- ☐ EMGU (open CV C# wrapper)
- ☐ Blend 4.0

PERSONAL DATA

Date of Birth: September 26 1991.

Place of Birth: Cairo, Egypt.

Nationality: Egyptian.

Marital status: Engaged.
